

PARKING IN BELLAGIO

In Bellagio, like all other small towns, parking the car is sometimes a problem. The various maps of the town show parking areas in the centre and nearby.

To help you understand the information more easily, the **free parking** shown on the maps with **green** lines have white lines on asphalt in reality and you can leave your vehicle here free of charge, even for several days.

Pay and display car parks have **blue** lines on asphalt. The price is € 1.50 per hour and payment applies only from 8 am-8 pm. Payment is made at the automatic machines situated near the parking areas and tickets must be placed where they can be clearly seen on the dashboard, to allow traffic wardens to check that payment has been made.

These are shown on the map with a P on red background or with red lines.

Temporary parking is also available, usually for a maximum of 30 minutes to 1 hour. It is shown by white lines on asphalt, but also has a sign with the words “sosta massima 30 minuti o 1 ora”. To use these parking spaces you need a parking disk, which should be clearly visible, showing the time of your arrival (if you don't have a parking disk you can write your arrival time on a piece of paper and place it on the dashboard). When the allotted time is up, you must leave the space. These are denoted on the map by a P on a blue background.

We would like to inform all tourist buses that there is a free parking area at the end of the lake promenade, opposite the Lido (See map 2 U1)

On the map of the peninsula, you will see four white Ps against a blue background, showing the four free parking areas outside the centre of Bellagio.

Finally, we would like to remind you that parking areas with yellow lines are reserved exclusively for the use of Bellagio residents and for the differently-abled.

During the Summer and on Sundays all through the year, the historic centre of the village becomes a pedestrian area with an automatic barrier that will remain closed every day from 11 am – 7 pm. Guests staying in hotels in this area (MAP 2 – see the whole area of the road in yellow) will have access by entering a code which will be given by their hotel on booking.

For further information, please contact Bellagio Town Police Station on +39.031.951.110

Have a great stay!
